CIVIL ACTION NO. 1:19-CV-218

**ORDER OVERRULING PLAINTIFF'S OBJECTIONS AND ADOPTING
THE MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION**

Plaintiff Daniel Thomason Smith, proceeding *pro se* and *in forma pauperis*, filed this civil rights action pursuant to *Bivens v. Six Unknown Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), against the Federal Correctional Institution in Beaumont, Warden Dallas B. Jones, and the Director of the Federal Bureau of Prisons.

The court referred this matter to the Honorable Christine L. Stetson, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The magistrate judge has submitted a Report and Recommendation of United States Magistrate Judge. The magistrate judge recommends dismissing the action pursuant to 28 U.S.C. § 1915(e) for failure to state a claim upon which relief may be granted.

The court has received and considered the Report and Recommendation of United States Magistrate Judge, along with the record, pleadings, and all available evidence. Plaintiff filed objections to the magistrate judge's Report and Recommendation.

The court has conducted a *de novo* review of the objections in relation to the pleadings and the applicable law. *See* FED. R. CIV. P. 72(b). After careful consideration, the court concludes

the objections are without merit. Plaintiff fails to articulate with specificity how the magistrate judge's recommendations are erroneous or contrary to the law.

ORDER

Accordingly, Plaintiff's objections (#30) are **OVERRULED**. The findings of fact and conclusions of law of the magistrate judge are correct, and the report of the magistrate judge (#29) is **ADOPTED**. A final judgment will be entered in this case in accordance with the magistrate judge's recommendation.

SIGNED at Beaumont, Texas, this 12th day of May, 2022.

A handwritten signature in black ink, reading "Marcia A. Crone", is positioned above a horizontal line.
